

ABANDONADO II

A SITE SPECIFIC INSTALLATION

CULTURAL AND PERSONAL COMBINATIONS. From encounters with new people you will get a million ideas, just by the notion of how fundamentally different ones concepts might be in comparison with theirs. Often it is very basic and practical things that differ the most. The way an object for a special purpose might differ, would indicate the different rituals in the kitchen for instance.

In my heart there arose a desire to visualize the characters through their artifacts. The characters in most cases are my friends. Simply try to redefine and rearrange the systems and rituals of everyday life. As you know with friends you can sometimes function as each others mirrors, in a good way.

Please join Installation Gallery, artist Ulf Rollof and site coordinator, Michael Schnorr in celebrating the completion of ABANDONADO II, a site installation of 13 sculptures as part of a natural park environment overlooking the Pacific Ocean where the Mexican and U.S. borders meet. A reception for the artist will be held on **Saturday, October 31, 2-6pm.** The site is located next to the bullring in Playas - Baja California.

Directions: Interstate 5 to Tijuana. Once you enter into Mexico through the San Ysidro Port of Entry follow the signs to the Ensenada toll road. Continue to follow the highway west towards Playas (about 4 miles). Before you reach the ocean follow the signs to Playas not Ensenada (veer right.) Go straight towards the bull ring. At the first traffic light take a sharp right. The site is on the north west corner of the bullring across from the lighthouse.
